Response to Arguments

6. Applicant's arguments filed 04/17/01 have been fully considered but they are not persuasive.

In response to Applicant's argument that the cited references do not include certain features of Applicant's invention, the limitation on which Applicant relies (the use of plastic film as clear coat or as an unpigmented or pigmented film of the last layer) is not stated in the claims. Therefore, it is irrelevant whether the reference includes the feature or not.

On 05/02/01, the Examiner called and discuss the case with Attorney K. Colton but no response since then.

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).
